Dividend Reinvestment Plan	1
Highlights of the Plan	1
Questions & Answers	2
Terms & Conditions	4

This brochure constitutes the terms and conditions of the AGL Energy Limited Dividend Reinvestment Plan (**Plan**) and should be read carefully.

The value of shares in AGL Energy Limited (**Shares**) can fall as well as rise and you may not recover the money that you invest. Nothing in this brochure should be regarded as a recommendation to buy or hold Shares.

Highlights of the Plan

Dividend reinvestment plan

You may elect to have the dividends paid on some or all of your shares in AGL Energy Limited (**AGL**) automatically reinvested in new AGL shares. Full details of the Plan are contained in the following Terms and Conditions.

Participation is entirely optional

You may join the Plan for some or all of your shareholding, vary your participation or withdraw from the Plan at any time.

Discount on market price

Shares are provided under the Plan at a discount of up to 5% of a weighted average market price, free of transaction costs. The actual rate of discount, if any, will be determined by the Directors at the time each dividend is determined.

Treatment of residual amounts

You will only receive a whole number of shares under the Plan.

Where the allocation calculation would otherwise result in a fraction of a share being allocated to you, the cash amount attributable to that fraction will be retained (without interest) in your Plan Account. The amount in your Plan Account will be added to your next dividend in respect of which the Plan applies for the purposes of calculating the number of shares allocated to you under the Plan in respect of that later dividend.

Shares rank equally

Shares provided under the Plan are fully paid and rank equally with existing shares.

Statement

An advice will be sent to you following each payment of a dividend which will set out your participation in the Plan. Also, at the end of the month you will receive either a CHESS or Issuer Sponsored Holding Statement if there is a movement against your holding.

Listing on the ASX

The Directors will apply for quotation on the ASX of any shares issued under the Plan.

Limitation

Participation may be restricted if in the opinion of Directors participation would not be in the best interests of AGL, e.g. an overseas Shareholder's address is in a place where the issue may be unlawful or impracticable.

Questions & Answers

Who can participate?

All AGL Shareholders whose registered address is in any of Australia, New Zealand, the United Kingdom, USA, Japan, Singapore or Hong Kong can participate in the Plan.

Are there any special conditions on participation?

No. There are no special conditions on participation.

Is participation optional?

Yes. The decision is entirely yours.

Can I participate in the Plan for part only of my holding?

Yes. You can nominate how many shares out of your total AGL shareholding you wish to participate in the Plan.

Your dividend on the shares which you have not nominated to participate in the Plan will be paid to you in cash in the usual way.

How do I join the Plan?

You can join or amend your DRP Election online through Computershare Investor Services at www.computershare.com.au/easyupdate/AGL

You will be required to enter your SRN or HIN and postcode.

Or complete the AGL Energy Dividend Reinvestment Plan Application or Variation Form and return it to:

Computershare Investor Services Pty Limited
GPO Box 2975,
Melbourne VIC 3001
AUSTRALIA

When will my participation begin?

It will begin with the first payment of a dividend after receipt of your Application Form, which must be received by 5.00 pm on the trading day after the Record Date for that dividend. This is to allow sufficient time for the Application Form to be processed before shares are transferred or allotted under the Plan in lieu of payment of the dividend in cash.

What happens if I have more than one shareholding?

You will need to lodge a separate Application Form for each separate shareholding (that is, shareholdings which are registered under different names or joint names and shareholdings which are held in Issuer or Broker Sponsored form under CHESS) and you must correctly identify the shareholding on the Form.

Can I change my participation at any time?

Yes. Simply complete the AGL Energy Reinvestment Plan Application or Variation Form available from the share registry, Computershare Investor Services (Computershare) by phone 1800 824 513 (or international+61 3 9415 4253) and forward it to:

Computershare Investor Services Pty Limited
GPO Box 2975,
Melbourne VIC 3001
AUSTRALIA

The Notice will be effective from the next payment of a dividend provided that the Notice is received by 5.00 pm on the trading day after the Record Date for that dividend.

At what price will shares be transferred or allotted?

Shares will be transferred or allotted at a discount of up to 5% of the arithmetic average of the weighted average market price of AGL shares during the relevant period as determined by AGL, being a period of not less than five trading days. The Directors will determine the actual rate of discount, if any, at the time each dividend is declared.

What will it cost me to participate?

It will cost you nothing.

You will not be charged brokerage fees, commission, or any other transaction costs for any transfer or allotment of shares under the Plan.

What happens if I end my participation in the Plan or I sell my shares or AGL terminates the Plan?

If AGL terminates the Plan or if you cease to participate in the Plan for any reason (including if you sell all your AGL shares), any residual balance in your Plan Account will be paid to you in accordance with your Debit Credit Instructions at the time AGL next pays dividends to AGL shareholders.

If you have not provided any Direct Credit Instructions to AGL within 12 months from the date that you cease to participate in the Plan or the date that AGL terminates the Plan (as applicable), any residual amount in your Plan Account will be donated to one or more registered charities nominated by AGL.

Can I sell my shares when I choose?

Yes. You can sell any or all of your shares at any time including shares transferred or allotted to you under the Plan. The shares sold will be automatically withdrawn from the Plan on receipt of a valid transfer in respect of those shares.

Should you decide to sell all of your shares shortly before a Record Date, you should inform your stockbroker that your shares are participating in the Plan. You should also immediately send an AGL Energy Reinvestment Plan Application or Variation Form to Computershare advising your withdrawal from the Plan. This will avoid a further small parcel of shares being issued to you under the Plan.

What if I only sell a portion of my shares?

If you sell a part of your AGL shareholding and do not give the Company a Notice of Variation of Participation, the shares which you sell will be taken to comprise:

- firstly, non-participating shares held by you; and
- secondly, to the extent necessary, participating shares.

What about taxation?

Under current Australian taxation law and practice, dividends reinvested under the Plan:

- are treated the same way as cash dividends and any franked portion is not subject to Australian withholding tax; and
- in general, shares acquired under the Plan will be subject to Australian capital gains tax when they are disposed of.

AGL takes no responsibility for the taxation liabilities of Shareholders. Shareholders should obtain their own independent, professional advice in relation to the tax implications of acquiring shares under the Plan.

Questions & Answers (continued)

When will I receive a statement?

After the payment of each dividend a statement will be sent to you stating:

- the number of your shares participating in the Plan;
- the dividend rate and amount which would otherwise be payable on those shares;
- the transfer or issue price and number of shares transferred or allotted under the Plan;
- the residual cash balance (if any) carried forward in your Plan Account; and
- the new total number of your shares participating in the Plan.

Can the plan be modified?

The Directors may vary, suspend or terminate the Plan when they consider it appropriate or necessary (refer to clause 14 of the Terms and Conditions of the Plan).
